Basis of Opinion

We have conducted our audit in accordance with Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the relevant ethical requirements relating to our audit of the financial statements and have fulfilled other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Going Concern

As part of our audit, we conclude regarding the appropriateness of management's use of the going concern basis of accounting in the preparation of the financial statements in the context of the applicable financial reporting framework. Our conclusions are based on information available to us at the date of the auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

Observation/ Key Audit Matters

 Closing Balances of Deposits/Advances Receivables/ payables & Current liabilities subject to confirmation.

Management's Responsibility for the Financial Statements

Management is responsible for preparation of the financial statements in accordance with theapplicable reporting framework. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The explanation of management's responsibility for this assessment shall include a description of when the use of the going concern basis of accounting is appropriate.

Auditor's Responsibility

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. Our responsibility is to issue an auditor's report that includes our opinion on the financial statements based on our audit.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
