Response

There is directive to produce admission proof of 30 students who took progression to higher studies. 28 students named in the list were contacted personally and admission information has been collected. The remaining two students are Praveen kumar B J and Kiran R. These students are out of reach in the sense that they are not accessible. However they have joined post graduate program, for their admission extract has been collected from respective post graduate department in the university. In addition proof of transfer certificate forwarded to university from college are also dually recorded, authenticated and uploaded.
