Subject: Request for Hand - Internal.

Respect Sir,

With due respect, I would like to state that, I couldn't be able to attend my physics internal which was on 16th March 2022. The reason behind this was my dad accident on bus & my dad was very injured, just one day before the physics internal so that's why I can't be able to present on my 2nd internal.

Therefore, I request you to please consider my situation & pass me in physics. I will be highly obliged to you.

Thank you

Yours obediently,
Sachin Parthasarthy
