Eye donation is simple Just remember these simple guidelines :

Age, Sex, race or religion is no bar. Keep close relatives informed about your desire to donate.

Wearing glasses, cataract, certain eye problems or blood group does not affect eye donation.

On death, inform eye bank immediately. Donation must be within 6 hours of death.

Close eyes and place wet cotton over lids (to keep cornea moist & healthy). Switch off fans.

Removal takes only about 20 minutes No special room necessary. No disfiguration is caused.

Shivamogga.

Donated eyes are never sold/used otherwise. Two persons gain sight.

2.5 million Indians need sight. Do not deny them life. Spread the message of eye donation.
