BEST PRACTICE : 1.

1. Talent Recognition (Merit - reward)-Prathibha Puraskar:

2. Objectives:

- To felicitate meritorious students for their fantabulous achievement.
- To promote competitive ability among students to excel in the examinations.
- To encourage the stakeholders to bring in more students to our institution.

3. Context:

- Our management is generous enough to provide sizeable support to outstanding performers in all examination and honour them in a grand manner.
- Parents and alumni, media people and educationists are invited to this program.

4. The practice:

- The highlights of prathibha puraskar are Rupees 10,000, Rupees 7500, and rupees 5000 cash award to 1st rank, 2nd rank and subsequent rank holders respectively.
- Rupees 5000 cash award from PCMBZ Departments to top scorers in respective subjects.
- Cash Award to top scorers in 2nd and 4th semester.
- Prathibha puraskar is a full day program and can be witnessed by other students as well.
- The details of achievements are presented before handing over the award.
- The following are endowment scholarship instituted in our college since two decades.

5. Evidence of Success:

- ✓ The vice chancellor of Kuvempu University, The Registrars, Local MP, MLA, MLC, and Joint Director of Collegiate Education are invited to this program.
- ✓ The objectives of Prathibha puraskar are announced in the function and the names of Endowment scholarships will be notified.
- ✓ Invited guests render motivational speeches, the president, the other office bearers and all the directors of board of DVS Management Committee present and management committee takes personal initiative to full fill this public goal for the benefit of student community.
- ✓ The deputy Commissioner of Shivamogga and Superintendent of police of this region will also be present according as time permits them.

6. Problems Encountered and Resources required:

- It is our humble submission in this context that the prathibha puraskar of this nature is being celebrated every year since 1975, thanks to initiative and courtesy of management.
- In addition many faculty members of science departments make personal contribution to build corpus for distribution among rank holders and merit students.
- This enables to build harmonies relationship and thick bind between teachers and students.
- The beneficiaries spare no words to express their gratitude to management and staff members for this outstanding and memorable prathibha puraskar celebration.
- The heads of neighbouring education institution express their astonishment to this mammoth program.

7. Notes:

- ✓ We have great element of satisfaction in presenting this event as one of the best practices of our college.
- ✓ Supporting Advertisement materials, photos, certificates and relevant documents can accessed in our college website. Video clipping are held in college office as testimony to our organizing ability and our commitment to the cause of higher education.

BEST PRACTICE : 2.

1. BOOKS AND READERS CLUB:

2. Objectives:

- ✓ To create opportunity for the students of all streams to share and discuss various subjective knowledge.
- ✓ To debate and discuss many genres of literature and expose them to various regional as well as international languages.

3. Context:

- Reading is the very important aspect which must be inculcated among the students. Reading facilitates the learning process and helps the students to develop their individual personality in a better way possible. Therefore the Books and Readers Club is established to practice reading in our college that accommodates the students of all courses and combinations who gather to discuss and review books which he/she has read recently and also intend to read. The Club provides an opportunity for each and every pupil who is the member of this Club to present and discuss what they have discovered while reading books.

4. The practice:

- Various activities in educational development need to read and perceive various things. But the present generation has totally imbibed by the technological activities where the social media has become a vital component in the world of technology, the books and readers club becomes a platform to inculcate the values of human beings and to build a social relationship among students. The club has taken this as a challenge and started to access our students reading capabilities.

5. Evidence of Success:

- ✓ In the world of technologies there are only few who are still engrossed by reading. The club has benefitted the students to improve their mental ability. It boosted the performing skills of the members; it has increased their ability day by day and emphasized the capability of reading. Reading has enhanced the heightened ability of the students to understand the feelings and beliefs of others. The club has changed the passive readers by improving their vocabulary, learning, reading and writing skills.

6. Problems Encountered and Resources required:

- The obstacles faced during the activities of the club are the members are not committed to the practice of reading. No individual takes up the lead and to drive the conversation. The meetings become more of a social interaction and the members who are really interested to talk about the books fade away. The club may witness personality clashes as the students may not agree on how the time is spent in the group. The students who were not interested may fail to contribute anything the decision of the choices of the books may not encourage discussion and some may find it boring. It may also lead to disagreement and clashes.

7. Notes:

- The club has improved the student's sense of cognitive development, since the books and readers club has kept them active and they are now engaged in the progress of mental stimulation. They are engaged in other realms of reading and are cleverly equipped to tackle any challenges.
