SRI. S. RAJASHEKAR

Secretary

Desheeya Vidyashala Samithi (R.),
Shivamogga

'WELL BEGUN IS HALF DONE' is true in the case of Desheeya Vidyashala, the institution started by seven nationalist young freedom fighters, influenced by the 'Gandhian principles'. The founders cum honorary teachers, members of the first EC, dreamt of the institution to provide a spring board for the students of Malnad region to achieve academic excellence. Desheeya Vidyashala, in the first year of 1943, with only a primary school had a student strength of only 7, has grown enormously and has the student strength of more than 6000 at present. As on date, Desheeya Vidyashala has a Higher Primary School, 2 High Schools, 4 PU colleges, 2 First Grade colleges, a Polytechnic college, a centre of IGNOU, KSOU and a Special Training Institute to its constellation.

"ಪಂಡಿತಾಃ ಸಮುದರ್ಶಿನಃ" is an appropriate mission statement and emphasizes that Desheeya Vidyashala is above caste, race and creed. It is a matter of pride to mention that the alumni of DVS has been spreading the fragrance of excellence, by holding key positions in both Government and Private organizations throughout the country and beyond.

COVID-19 safety measures are regularly maintained and observed as per the guidelines of Govt of Karnataka. Campus, class rooms, laboratories, library, office, waiting and wash rooms are properly sanitized. Face masks and face shields were distributed to the staff members.

AN APPEAL

Among the institutions under DVS Management, some receive aid from the Government and some are unaided. The management has to absorb the burden of meeting the expenses like salary, employer's share of PF/ESI in addition to the recurrent maintenance expenses of unaided units. Therefore it is an appeal to the parents to bear with the marginal increase in the fee collected by both aided and unaided units.

In this view, the Management makes a humble request to the public, parents, alumni, benevolent donors and the entire well wishers to standby DVS institutions to support the cause of education. Please extend support and co-operation whole heartedly in all the academic endeavors of Desheeya Vidyashala Samithi, Shivamogga.

Celebrating 78 years of service in the field of Education

Engaging, Learning, Transforming since 1966

D.V.S College of Arts, Science & Commerce, Shivamogga, a First Grade College was started on 1st of July, 1966. This institution of excellence in the field of higher education, in Malnad region has reached milestone of 55 years.

Vision

- ★ Initiating and sustaining meaningful research activity.
- ★ Promoting institution – industry interaction and collaboration at levels.
- ★ Ensuring harmonious and mutually rewarding relationships among all the institution.

Adapt and Excel

The institution adapts to the changing time and tries to excel in all aspects of the education.

Message from the Principal

Education is one of the most powerful tools to change people, nation and the future of humanity. Learning is a lifelong process of enlightenment which upgrades our thinking capabilities and conception. DVS College of Arts, Science and Commerce is one of the prestigious college affiliated to Kuvempu University, imparting quality education since last 55 years. College is offering University approved combinations in Arts, Sciences, Commerce and Computer Applications.

Dr. Geetha
Principal,

DVS College of Arts, Science &
Commerce, Shivamogga

DVS College of Arts, Science and Commerce is a premier institution under the aegis of distinguished Desheeya Vidyashala Samithi (R.) College has been accredited by NAAC with 'B' grade having CGPA 2.81 out of 4 and is proud of possessing committed, highly qualified, and talented teachers in all subjects who strive hard to maintain a quality educational standard, which helped to grab maximum ranks every year. This year students have secured five university ranks. College has well-equipped laboratories for both basic and applied Science, CCTV fitted smart classrooms which are attracting local as well as students from far-off places.

Now undergraduate education is in the process of metamorphosis, New Education Policy realized that academic degrees alone will not be enough to provide jobs to all youngsters. Companies, industries and startup ecosystems now primarily look into students interest in skill building exercises. As per the demand, college has transformed into skill development center or human resource development center. Our focus is mainly towards the advancement of knowledge base, personality development and development of different skills (soft skills, communication skills, computer skills, literary skills etc.,) in students. Career Guidance and Placement Cell is doing a splendid job in organizing workshops and campus selection programmes. Over the years hundreds of students are recruited in prestigious institutions such as WIPRO, Accenture, Infosys, Tech Mahindra etc.,

College is having two Open University study centers IGNOU and KSOU to provide students to have additional degree/diploma along with their formal courses. Social skill development is ensured to students in the college by the activities of sports, NCC, Rovers & Rangers, NSS, Youth Red Cross, Pusthaka Premi Balaga etc. We invoke different types of interests in students through the activities of Literary Club, Film Club, Chem World, Bio-Club, e-Club, Ithihasa Vedike etc. DVS provides a platform to students to showcase their inborn talents. Students creativity channelizes in wall magazine which grow into annual magazine called 'Singara'. College is regularly conducting field trips, educational tours, seminars, webinars symposia, workshops, NCC, NSS camps etc making students buzzing with activities.

Learning resources made easily available through Central Library, Departmental Libraries, faculty developed course contents and online resources, INFLIBNET, e-journals, databases, book-bank and wi-fi facilities. Institution explored several online teaching options following the COVID-19 pandemic lockdown to help students to cope up with online education. Faculties reached students online using several smart apps such as, WhatsApp education, Google Class Room, Google Meet, Zoom education, YouTube video, Microsoft Team and WebEx meetings. They developed several digital resources and e-content to meet the demand of students during COVID-19 crisis.

We also take utmost care in moulding UG students as responsible global citizens. We are committed to the overall personality development of students and we would like to see them soar to new heights and attain success in all their endeavors.

COVID-19 safety measures are regularly maintained and observed as per the guidelines of Govt of Karnataka. Campus, class rooms, laboratories, library, office, waiting and wash rooms are properly sanitized. Food kits were distributed by Management Committee and senior faculty members to the people in need. As for the guidelines of GOK vaccination drive for students and staff free of cost was organised in the college campus.

I expect sincere cooperation from students, parents, guardians, alumnus and stakeholders for the attainment of DVS objectives.

Good Luck
